Hello Jeff, Lou, Vince, Chris and Fred,

For this upcoming Administrator hearing (Jan 26<sup>th</sup>) with the House Agric. Committee, we are being asked to include fact sheets on the following 7 topics:

## Deliberative Process / Ex. 5

And we will likely include something on the "Nitrogen and Co-Pollutant" Research Roadmap.  
[http://www.epa.gov/sites/production/files/2015-11/documents/researchroadmap\\_nitrogen\\_508.pdf](http://www.epa.gov/sites/production/files/2015-11/documents/researchroadmap_nitrogen_508.pdf).

I can use existing fact sheets, but if there are important updates that need to be added, please let me know by January 7<sup>th</sup>. If you need an extra day, let me know.

**Subject:** FW: House Ag Hearing - Request for Materials by Jan 7th

Hello everyone,

The Administrator is scheduled to testify before the House Agriculture Committee on January 26<sup>th</sup>. The hearing purpose is to discuss EPA programs and regulations impacting agriculture. OCIR requests materials to help the Administrator prepare – and I have included the list of topics for ORD. You will see the full list further down in the email (also attached). I have added Scientific Integrity as a topic.

The submission deadline to me is Thursday, Jan 7th. A sample format that includes key messages, background information and expected Q&A is also attached. Please let me know any topics that should be added. Attached is the House Ag committee list in case you want to check on specific member matters needing a fact sheet. The regional Ag Advisors are already working on gathering information about their members who serve on the committee, so regional folks should be aware of that and coordinate with their Ag Advisor.

Bob Fegley and I have reviewed the list of ORD topics and have the following suggestions:

## Deliberative Process / Ex. 5

Internal Deadline: With the holidays approaching, please get me your materials/information by January 7<sup>th</sup> (Thursday). I will coordinate materials with the IOAA and will make sure they get to OCIR by Jan 12<sup>th</sup>.
